Subject: E-Rate 2024 Tribal Library Pilot Program Launch - September 7th Webinar

Greetings from the Office of Native Affairs and Policy at the Federal Communications Commission.

The FCC's Wireline Competition Bureau and the Office of Native Affairs and Policy are hosting an informational webinar announcing the launch of the E-Rate Funding Year 2024 **Tribal Library Pilot Program**. This webinar will provide an overview of the Tribal Library Pilot Program and explain how you can apply. You will also hear from two participants from last year's Pilot Program. Attendees are encouraged to bring your questions or send them in advance.

The **Tribal Library Pilot Program** provides one-on-one technical assistance for Tribal libraries through all phases of the E-Rate application and reimbursement processes. Based upon the positive responses and feedback received from participants from last year's Pilot Program, the FCC is continuing the Pilot to provide support for Tribal libraries, including Tribal College and University libraries, that seek to participate in the E-Rate program and receive funding for the upcoming 2024 Funding Year.

Official registration is not required for this event, but recommended. To register, please send an email message to Tribal.Events@fcc.gov with "Sept. 7 Tribal Library Webinar" in the subject line. Prior to this event, questions can be submitted by sending an email to Tribal.Events@fcc.gov.
