NOTICE OF CERTIFICATION OF AN OPEN VIDEO SYSTEM

Digital Broadcasting Corporation (DBC). pursuant to FCC FORM 1275 and section 76.1502(c) of the Commission rules, hereby submits its Notice of Certification application as an Open Video System (DBC) as required by section 76.1502(c), OVS respectively submits the following:

This is a Notice of Open Video System Certification application: you are not required to reply to this application, unless you choose to make a comment against the certification.

The Short

DBC Amends Open Video System and Affiliate ETC Certifications TO Update the Statement of Ownership, disclose all affiliate companies, and other (FCC affiliates) affiliate ownership media assets of 5% or greater, including Digital Broadcasting OVS, LLC., DBC of Puerto Rico, Including the following assets., DBC OVS of California, Inc., DBC San Francisco, California, DBC the 5 Counties of Southern California, DBC Puerto Rico OVS.

This multi filing includes the ETC Exempt Telecommunications Companies., the ETC Certifications consolidated under the DBC Digital Broadcasting Corporation Holding Company. There is a Statement of Affiliates, none of which has cable investments.

DBC is updating its Advanced Telecommunications- Open Video System Services to include the 25 Secretary of States Franchise Authorities, the 210 major DMAs in the USA, and the US territories of Guam, Samoa, US Virgin Island, and Puerto Rico, (the "DBC Subsidiaries"). All additional Roy Jimenez Trust assets are also listed below.

DBC has amended their Open Video System ETC Certifications to update the Statements of Ownership in order that reflects the corporate restructuring. The DBC subsidiaries are to be merged into Digital Broadcasting Corporation. Assets will be listed as OVS, and or the ETC assets of the DBC Corporation.

DBC will keep its original FCC Certification names Digital Broadcasting OVS, and ETC-DA ID numbers will remain the same. The original certificate and major shareholder remain the same, the Roy V. Jimenez Trust, Roy V. Jimenez, Trustee.

The updated Statement of Ownership is listed in the OVS Certification application, including previous Open Video System and ETC Exempt Telecommunications Company certifications previously held by the Roy V. Jimenez Trust, and DBC Subsidiaries.

The Certification Period

The standard application period for a OVS Open Video System is as follows: 1) 10 days total for Certification including the 1st 5 days for comments objecting to the certification. The FCC then has 5 additional days to rule on the merits of the comment and issues a memorandum, ruling and orders based on the merits of the certification.

In light to the current COVID, hurricane, floods, and disaster weather interference with the required 5-day timeline for comments. DBC is voluntarily proposing to extend the application-certification from 5 days to 10 days to allow the franchise authorities ample time to reply. DBC is offering these 5 additional days in the public's interest, necessity, and safety. The certification extended from 10 days to 15 days. Upon reception of this email the process service is completed but if for any reason. **The recipient is not required to reply to this notice in the 10 days, you will receive a 2nd Notice to Establish the Open Video System Network on January 6th, 2022 (subject to FCC approval).**

You are not required to reply to this EOVS Notice of Certification.

IF You Are Not the Authorized person to receive this FCC OVS Certification Notice: **Immediately take this notice to your Mayor's Office, City Attorney or City Manager's office Right Away.** This is a Time Sensitive Notice from the Applicant DBC and the Federal Communications Commission Notice of OVS Certification Filing. All that is needed is to verify this OVS certification notice, is simply to open the email, and this verifies your reception. If there is a change in the contact info, email us the update
