## Explanation of Effort and Availability of Commercial Equipment

\*Provide an explanation of efforts undertaken, and challenges encountered, in permanently removing, replacing, and disposing of covered communications equipment or service.

TelAlaska Cellular, Inc. secured contract engineering resources to complete the network design of the project and will be moving forward with project implementation.

\*Explain whether you are finding commercially available equipment in the marketplace. If not, then explain efforts taken to obtain replacement equipment.

TelAlaska Cellular, Inc. has completed the network design, scope of the project, and developed project costs. The company is assessing what equipment will be utilized and whether it is commercially available.

\* If there is additional information relevant to the preceding questions or that you believe the Commission should be aware of, please include the information below.

TelAlaska Cellular, Inc.'s award of 39.5% of the requested reimbursement has put a severe strain on its ability to complete the removal, replacement, and disposal of the identified equipment. This underfunding has resulted in the company reevaluating its project plan. TelAlaska Cellular, Inc. continues to support a federal resolution that ensures full funding for the removal of this identified equipment.
