ANNOUNCING THE STATUS OF APPLICATIONS RECEIVED
FOR THE 30 REGIONAL NARROWBAND
PERSONAL COMMUNICATION SERVICE (PCS) LICENSES
TO BE AUCTIONED BEGINNING OCTOBER 26, 1994, AT
THE POSTAL SQUARE BUILDING, 2 MASSACHUSETTS AVENUE, N.E.,
WASHINGTON, D.C.

The Federal Communications Commission (FCC) has received 53 applications to participate in the Regional Narrowband Personal Communication Service (PCS) license auction beginning October 26, 1994, at the Postal Square Building, Washington, D.C.

These applications have been reviewed for completeness and compliance with the Commission's rules and have been classified into three categories:

- ACCEPTABLE FOR FILING
- INCOMPLETE
- UNACCEPTABLE FOR FILING

Each of these categories has been sorted and is presented in one of two formats: one lists the applications alphabetically by name of the applicant and the other sorts the markets numerically, with each applicant for that specific market listed alphabetically.

Unless otherwise directed by the FCC, those applications which are **ACCEPTABLE FOR FILING** need no further action with respect to their applications before auction day except to submit their upfront payments and to keep their applications up to date. See Section 1.65, 47 C.F.R., Part 1 of the FCC Rules. These applicants are identified in Attachment A to this Public Notice.

Those applications in the **INCOMPLETE** category are identified in Attachment B; these applications must be amended or supplemented to correct minor deficiencies indicated in the Block Number corresponding to block in their Form 175 applications that is unacceptable. (The Block Numbers are further defined in the legend included with the attachment.) Whether mailed, hand delivered or sent by private courier, the amended Form 175 or

supplement is due no later than 5:30 PM EDT Wednesday, October 5, 1994, at Tradewinds International, Inc., General Aviation Terminal, Suite 219, No. 7 Thomas Avenue, Washington National Airport, Washington, D.C. 20001. A new Form 175 correcting the identified deficiency(ies) and signed with an original signature, including any supplementary information required, must be received at Tradewinds prior to the cutoff date and time or the application will be dismissed. In addition, three (3) microfiche copies of the corrected applications are required for all applications in excess of five (5) pages. Amendments will not be accepted at any other location, and this will be the only opportunity to correct your Form 175. Faxed amendments are unacceptable, and late amendments will not be accepted. No new applications will be accepted.

All applicants should note that the upfront payment for this auction is due at Mellon Bank, Pittsburgh, Pennsylvania, by 11:59 PM ET, October 5, 1994, in accordance with the Procedures, Terms and Conditions for this auction as contained in the Bidder's Information Package. The revised Form 175 is due October 5, 1994. Thus, applicants submitting corrected Form 175 applications must submit their upfront payment amount by the required due date without knowing if the corrected application is accepted for filing. Upfront payments will be refunded in the event that a corrected application is found unacceptable. If the corrected application is not accepted, the upfront payment will be refunded. Those applications that are **UNACCEPTABLE FOR FILING** are identified in Attachment C to this Public Notice. These applicants cannot participate in this auction.

Another Public Notice will be issued after amendments to Form 175 or supplementary submissions have been received and processed which will list all applicants eligible to bid at the auction. Additional applications that are unacceptable for filing will also be listed but will be ineligible to participate in the auction.

For further information or inquiries related to application status, please contact Tradewinds International, the Commission's auction contractor at 202-637-3221 or by facsimile at 202-637-3222.
