## ERRATUM

On April 21, 1999, the Wireless Telecommunications Bureau released a reissuance of Attachment A and correction to Attachment D of the Public Notice released April 20, 1999, which announced the close of the C, D, E, and F Block Broadband PCS License Auction, Auction No. 22 ("Closing Public Notice").<sup>1</sup> This Erratum amends the correction to Attachment D, released on April 21, 1999, by making the following corrections:

1. Attachment D, page D-10. The first two sentences of "Exhibit D: Designated Entities - Small Businesses and Very Small Businesses (C and F Block Only)" should be replaced with the following:

Pursuant to 47 C.F.R. §§ 24.712 and 24.717, small businesses and very small businesses that bid on C or F block licenses are eligible for bidding credits of fifteen percent and twenty-five percent, respectively, to lower the cost of their winning bids.

2. Attachment D, page D-14. The two last sentences of "Exhibit H: Divestiture Plans" should be replaced with the following:

**Filers** should select Attachment Type 'Divestiture' and enter "Exhibit H: Divestiture Plans" in the File Description field on the Attachment screen.

The above changes do not affect the Form 601 Application deadline. The deadline for filing the Form 601 Application is still May 5, 1999.
