HOME • SEARCH • SUPPORT

Those who want to participate in an FCC auction must submit a Form 175 (short form). This form provides the FCC with information about the applicant and the licenses on which the applicant wants to bid. It also provides ownership information.

Minor modifications include adding an attachment or making a change to the applicant's address, phone or fax number, status, names of bidders, or contact information. Modifications to other information WILL NOT be permitted.

## Upfront Payment Calculator

[Help](#)

This upfront payment calculator will help you determine the appropriate upfront payment to submit with your Form 159. Please refer to the [Auction 59 Procedures](#) public notice for a complete explanation of upfront payments and bidding eligibility.

The upfront payment calculator lists the licenses/permits you specified in your Form 175. Please note that the calculator will not display the list or keep a running total of bidding units, if you selected 1,000 or more licenses/permits. Use of the upfront payment calculator is always optional; you can type another amount in the Total Upfront Payment field, if desired.

### Calculating Your Upfront Payment

To calculate the total upfront payment amount to submit with your Form 159, perform the following steps:

1. Read the Defaulted/Delinquent Status section and specify whether you have previously defaulted or been delinquent in payment.
2. Select the licenses/permits for which you would like to calculate the total upfront payment amount. If you have selected 1,000 or more licenses/permits, simply type in the total number of bidding units for which you wish to establish your maximum eligibility. The calculator will automatically calculate the total upfront payment amount.
3. To save the total upfront payment amount and carry it through to Form 159, click on the "Carry to 159" button.

#### Defaulted/Delinquent Status

Any auction applicant that has previously been in default on any Commission license or has previously been delinquent on any non-tax debt owed to any Federal agency must submit an upfront payment equal to 50 percent more than that set for each particular license. Please specify below whether you have ever been in default on any Commission licenses or delinquent on any non-tax debt owed to any Federal Agency.
