ACTION: Notice of a modified System of Records.

SUMMARY: The Federal Communications Commission (FCC, Commission, or Agency) has modified an existing

¹ Burden is defined as the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. For further explanation of what is included in the information collection burden, reference 5 Code of Federal Regulations 1320.3.

² The estimates for cost per response are derived using the following formula: Average Burden Hours per Response \$79.00/hour = Average cost/response. The figure is the 2018 FERC average hourly cost (for wages and benefits) of \$79.00 (and an average annual salary of \$164,820/year). Commission staff is using the FERC average salary because we

consider any reporting requirements completed in response to the FERC-592 to be compensated at rates similar to the work of FERC employees.

³ The requirements for this collection are contained in 18 CFR part 358 and 18 CFR part 250.16.
