## *Auction Schedule for the General Wireless Communications Service -- Correction*

This Public Notice corrects a typographical error in the band plan for the General Wireless Communications Service set forth in *Public Notice*, "FCC Announces Auction Schedule for the General Wireless Communications Service," DA 97-2634, (rel. December 17, 1997).

The typographical error identified Block A of the frequencies to be auctioned as "4460 - 4665 MHz" (emphasis added). The band plan should have appeared as follows:

Block A:	4660 - 4665 MHz.
Block B:	4665 - 4670 MHz.
Block C:	4670 - 4675 MHz.
Block D:	4675 - 4680 MHz.
Block E:	4680 - 4685 MHz.

For further information about this correction, contact Kathy Garland, Lisa Hartigan, or LaVonnia Connelly, of the Auctions and Industry Analysis Division, Wireless Telecommunications Bureau, at (202) 418-0660.
